WIND

WOMEN

STONE

A black and white photograph of a woman's face inside a diving mask, which is being held up by two hands. The image is dark and moody, with the text overlaid in the center.

Female **divers** in the Korean province of **Jeju**.
Known for their independent spirit,
iron will and determination.

Daughters of the sea

Cultural identity of the scenic island where
people in the past relied heavily on the sea to survive

Eco-friendly way of doing business

Passing down of diving know-how for generations

HAENYEO

“

The government requested the UNESCO to add Haenyeo to its Intangible Cultural Heritage list in March 2014. Inscribed in 2016 on the Representative List of the Intangible Cultural Heritage of Humanity ”
